CREATING UNITY IN COMMUNITY

Dear Friends,

In good times and challenging times, the Y has been there to unite our Lehigh Valley community by creating a safe space for all.

Our work to create a united and equitable place in 2022 included: providing affordable child care, nutritional and free meals to our youth and senior neighbors, affordable housing, safe and warm respite to our unhoused neighbors, opportunities to improve physical and mental wellness and financial assistance. These services ensure the Y is accessible to every community member – regardless of circumstance, ability to pay or background.

Our priorities now and for the future are to provide solutions for all in our region, in a culture that promotes equity and respect for the human dignity of all and to create unity in our community.

Our 2022 Annual Report is reflective of the work our staff, members, volunteers and partners have provided to serve our Lehigh Valley neighbors year-round.

We are grateful to all who work with us to create unity in our Lehigh Valley community.

In Service,

David Fagerstrom
President & CEO
Greater Valley YMCA

Peter Dent
Chief Volunteer Officer
Greater Valley YMCA

The Greater Valley YMCA is a volunteer-led, 501(c)3 nonprofit, community organization. The Y is committed to strengthening community by positively changing lives every day. At each of our Branches, we concentrate our efforts in three areas: Youth Development, Healthy Living and Social Responsibility. And we do so in a way that upholds the Y's traditional family values of Caring, Honesty, Respect and Responsibility.

The YMCA's Mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

For over 100 years, the Y has made tangible differences in the communities of Allentown, Bethlehem, Catasauqua, Easton, Forks, Nazareth, those comprising the Slate Belt region and the Lehigh Valley as a whole.

Founded as individual YMCAs as early as 1897, the following Branches of the Greater Valley Y merged together between 2010 and 2015: the Nazareth YMCA, the Suburban North Family YMCA, the Family YMCA of Easton, Phillipsburg & Vicinity and the Bethlehem YMCA. In 2014, the Forks YMCA Education Center was established. The Slate Belt Branch was opened in 2015. In January 2017, the Allentown YMCA joined the Greater Valley YMCA.

YOUTH DEVELOPMENT

We believe that all children deserve equal opportunities to grow, learn and thrive.

At the Y, we provide children of all ages a safe place to learn, explore, and develop into future leaders—through our core values of caring, honesty, respect and responsibility.

EARLY EDUCATION (Ages 6 weeks to 5 Years)

High-quality early learning environments have a direct impact on a child's ability to prosper and develop to their fullest potential. Children who participate in quality learning programs tend to be more successful in school, are more competent socially and emotionally, and show higher verbal and intellectual development.

PRESCHOOL (Ages 3 to 5 Years)

Preschool not only provides important skills that benefit the transition to kindergarten, but gives your child a foundation for reading and math success in elementary school. In fact, a child who attends preschool is more likely to finish high school and attend college than children who did not attend preschool.

PRE-K COUNTS (Ages 3 and 4 years)

FREE Preschool for Qualifying Families—Pre-K Counts builds the foundation of learning and gives children the skills needed to succeed in school and in life. This quality pre-kindergarten program is provided at no cost to families with children ages 3 and 4 who meet the income eligibility requirements.

SCHOOL AGE BEFORE & AFTER SCHOOL CHILD CARE (Kindergarten to Middle School)

The Y School Age Child Care develops the whole child, including character development. Children participating in the School Age Program take part in a variety of activities including homework support, art, science & technology, and physical play.

YOUTH SUMMER DAY CAMP (Ages 5 to 13 Years)

Camp, like many Y programs, is about learning skills, developing character, and making friends. But few environments are as special as camp, where kids become a community as they learn both how to be more independent and how to contribute to a group as they engage in physical, social, and educational activities. Camp teaches self-reliance, a love for nature and the outdoors, and the development of attitudes and practices that build character and leadership all amidst the fun of team building, swimming, talent shows, and meaningful relationships. Y counselors are dedicated to making sure camp is an amazing experience for every camper.

At the Y, you can feel more connected to your community, meet new people, expand your knowledge base, and experience one of the most rewarding jobs by helping support our mission of developing individuals, families, and communities, while having fun in a challenging and dynamic atmosphere. Please contact your local Branch for more information. Check back often as new opportunities are always arising!
