

FACILITY RENTALS

The Y is more than a great place to exercise, it's a place where people come together to learn something new, see friends, share stories and more. The next time you are planning a club meeting, baby shower, or gym rental, think about the Greater Valley YMCA.

Our six locations are conveniently located throughout the Lehigh Valley offer a variety of meeting options and space to fit your needs.

Risk Management is an important part of ensuring the Y's position-and ability to advance its cause-as a leading nonprofit strengthening community through youth development, healthy living, and social responsibility. Therefore, all required waivers and agreements must be completed and a Certificate of Insurance must be submitted prior to facility rentals.

WE CAN HELP!

The Greater Valley YMCA has a variety of rooms and facilities available for community rental. From conference rooms to our indoor pools to gymnasium space, the Y has accessible space for individuals and groups to rent.
