SNOW MUCH FUN

2021 SKI & SNOWBOARD CLUB AT CAMELBACK MOUNTAIN RESORT

FOR NAZARETH AREA HIGH SCHOOL AND MIDDLE SCHOOL STUDENTS

As students age out of the NAIS Ski Club, we invite them to continue their winter adventures with the Ski & Snowboard Club at the Nazareth Branch.

Five-Week Program

The YMCA program runs for five weeks at Camelback Mountain on Friday evenings. Camelback is one of the largest ski areas in the Pocono Mountains offering more than 34 trails, all lighted for night skiing. Camelback offers lessons specifically designed to safely teach young skiers and snowboarders the latest skills and trick.

Transportation

Students are picked up at Nazareth school, transported to Camelback and then returned to Nazareth School.

Chaperoned

Chaperones travel with students on the bus, are available at the Y table located in the main lodge, as well as on the slopes during the evening to answer any question or concerns during the evening.
