EMERGENCY OPERATIONS PLAN

Dear Parent(s)/Guardian,

The YMCA recognizes safety as our first priority for all children attending Y programs. With this in mind, the YMCA has developed a comprehensive Emergency Operations Plan (EOP) that provides for response to all types of emergencies. The specifics of the plan is located at each child care facility and can be viewed at anytime.

Depending on the circumstance of the emergency, the children may be relocated to a different part of the facility and/or offsite at a temporary shelter. Children will remain there until all is clear and/or accommodations for parent pick up has been established. Once the children are in a safe location and/or emergency has been cleared parents will be contacted.

On-site School Age

Immediate Evacuation

If there is an immediate evacuation of the Y, children will be evacuated to the exterior of the building, either pavilion behind the Y or grassy area in front of the Y.

In-place sheltering

Sudden occurrences, weather or hazardous materials related, may dictate that taking cover inside the building is the best immediate response. School Age Child Care will take cover in the gymnasium or the Teen Center.

Evacuation

Total evacuation of the facility may become necessary if there is a danger in the area.

Off-site School Age (Catasauqua, Northampton and Northern Lehigh School Districts)

Immediate Evacuation

If there is an immediate evacuation, children will be evacuated to the exterior of the building, parking lot or playground.

In-place sheltering

Sudden occurrences, weather or hazardous materials related, may dictate that taking cover inside the building is the best immediate response.

Modified Operation

May include cancellation/postponement or rescheduling of normal activities. These actions are normally taken in case of a winter storm or building problems (such as utility disruptions) that make it unsafe for students but may be necessary in a variety of situations.

Please visit us online at www.gv-ymca.org or Channel 69 News WFMZ for announcements relating to any of the emergencies listed above. Additionally, you can check our Facebook page www.facebook.com/SuburbanNorthYMCA for updates.

We ask that you refrain from calling during an emergency. This will keep the main telephone line free to make emergency calls and relay information. We will call you to let you know that we have taken one of these precautions listed here and/or when it is safe for you to pick up your child at the Y or one of the relocation sites. The designated persons to pick up your child during an emergency is listed on the emergency contact form that is included in the registration packet.

If an emergency forces school to close, please do not attempt to bring your child to the Y.

We urge all families to have their own plan in place. Your plan should include a predetermined meeting spot for all family members along with designated family member and/or friend who are able to pick up your child in the event of an emergency.

In order to assure the safety of your child and our staff, we ask for your understanding and cooperation. Should you have additional questions regarding our Emergency Operations Plan, please contact the School Age Child Care/Day Camp Office.

Greater Valley YMCA, Suburban North Branch Discipline Policy

The Suburban North Branch staff would like your child to have the best experience possible while at our childcare. Thus, all participants must understand and follow the camp guidelines and rules. These guidelines and expectations are in place to ensure the safety of your child and staff.

- **Toys/Electronics from Home**

We do not allow children to bring personal items from home (including but not limited to electronic devices, cell phones, sharp objects, weapons, firearms, explosives etc.). We are not responsible for any of these items should a child make the choice to bring them. Damages and theft of personal items are possible and the YMCA assumes no liability for said items. If participants are caught with any of the above items the staff reserves the right to confiscate them.

- **Children's Rules**

It is our intent that each child enjoys the planned activities by understanding that they are responsible for their actions. With prior knowledge of our basic rules of safety and good conduct, each child is made aware of how to exercise self-discipline and to understand that we are here to assist her or him and that we expect them to succeed. Rules for behavior are posted in all of our classrooms. Character Development is an important part of our program.

- **Process**

When positive behavior is displayed; the benefit is participation and enjoyment of planned activities. In cases of negative or inappropriate behavior, the follow process will be adhered to.

- Redirection: Every effort will be made to help the child understand the inappropriateness of his or her actions and agree to an alternate form of behavior. When the conflict is child-to-child, every effort will be made to have them reason together face-to-face with staff facilitating.

- Removal from the Specific Activity: When redirection has been pursued and behavior has not changed, removing the child from the activity involved for an appropriate amount of time is necessary. The removal time will be age appropriate. Other duty-oriented consequences suitable to the inappropriate behavior may also be utilized at this stage.

- Behavior reports: When the child is not successful in correcting the behavior, or the behavior is of a serious nature, a behavior report will occur. This report will be discussed with the child and parent, and requires a parent signature. *If a child receives three behavior related write-ups a parent conference is required and or the center has the right to suspend or expel child from care.*

- **Suspension/Expulsion**

In the event that a child engages in behavior which poses a threat of bodily harm to himself, others, staff or facility property, an immediate meeting with the parent(s), or guardian may be called. If such behavior warrants it, an immediate suspension or expulsion may result.

- *Situations that will result in an automatic Behavior report are: stealing, use of profanity, excessive violence (hitting, kicking, biting, etc.) running away from the group and property damage.*

- *If a child commits a malicious and or violent act against another person or property it is within our right to suspend care until a complete and thorough investigation into said incident can be completed.*

I have read and understand the Suburban North Branch Behavior policy.
